Good Afternoon Tracie

I am really pleased to inform you that your Business Plan and Cashflow Forecast have been assessed and approved. Well done for all the hard work in completing these documents.

Your details have now been passed to your **In-Trading Mentor Julian Guest** - email address is included above - who will be in touch with you in the next 4 weeks and support you through the rest of the programme.

What to do next?

- Message your Job Centre Work Coach to start the transition to the NEA Payments – your Work Coach will be notified that your Business Plan has been approved but this may take a week or so – and you will be invited to a ‘Gateway’ meeting to discuss your actual start date; you may put today’s date as your start if you are ready to start now, and payments will be backdated.
- Please note that JCP allow a maximum of 13 weeks from now until you start trading; so if you require a longer time to prepare for your start-up, please discuss this with your Work Coach.
- Register with HMRC if not already done: Register for Self Assessment: Register if you’re self-employed - [GOV.UK \(www.gov.uk\)](https://www.gov.uk) It will then take a few weeks for HMRC to confirm in writing and send your Unique Tax Reference (UTR) number which you will need for tax purposes
- If you are going to be a Limited Company register with Companies House: [Online Filing Software Authorised by Companies House and Recognised by HMRC](#)
- Apply for a business bank account and use today’s date as start of business date – it can take a few weeks to get all the codes and PINs set up and to register for your online banking

What your In-Trading Mentor needs from you in the coming weeks is as follows:

- Copy of your UTR Letter and any partnership certification (or certificate of incorporation if you are a limited company)
- Confirmation of when your NEA payments start
- Confirmation of when you start trading
- Copy of your first business invoice or sales advice, and a copy of a purchase invoice or receipt for goods bought for the business
- Your job title
- A statement of how many hours a week you intend to work and what your working pattern will be

All of this evidence will be needed within the next **12** weeks if at all possible please. In total, you now have 13 weeks in which to get trading and provide proof of that you are doing so.

May I wish you the best of luck with your business venture.

Regards

Mick Pope
