

PORTFOLIO SYSTEM – WALL SHEET

YOUR SETUP (NON-NEGOTIABLE RULES)

THIS CHAT = MASTER SYSTEM

- All projects go here
- All links go here
- All updates go here
- Single source of truth

Never restart this process in another chat

SIDE CHATS = WORKSPACES

- Build apps
- Write content
- Test ideas

Always bring results back to master chat

HOW YOU ADD THINGS

NEW PROJECT: Name + link + one-line description

UPDATE: What changed

IDEA: Rough thought

ADD THIS: Result from another chat

NEVER DO THIS

- Don't rewrite projects
- Don't explain context again
- Don't organise yourself
- Don't spread across chats

HOW SYSTEM WORKS

You input. System tracks, groups, removes duplicates, and builds portfolio.

CURRENT STRUCTURE

Gnostic System – philosophy/content

AI Tools – practical tools

Dreamy Deals – reselling system

DAILY FLOW

1. Dump
2. Build elsewhere
3. Return + ADD THIS

IMPORTANT

Stay in this chat. New chat = lost context.

MINDSET

Don't think. Don't organise. Just dump.
